CHAIRMAN'S REPORT

On Behalf of the Board of Directors, I am pleased to present the un-audited financial results and profit and loss account for the 3rd quarter ending 30 September 2010.

Operating Results :

The Sales turnover for the Company during the past 9 months was RO.5.160 million compared to RO.9.507 for the corresponding period of last year. Total gross income reached approximately RO.518,000/- against RO.944,000/-. The fall in sales and profit is due to availability of huge quantities of rice in the market with lower quality and lower prices than those of equivalent approved specifications from their country of origin. This has led to an unfair competition which affected negatively on the operational results of the company.

Future Operations:

The Company will continue to improve its services to increase sales by guiding the sales team to work within various strategies to achieve its future goals despite the current challenges.

Acknowledgement:

I gratefully thank the Ministry of Commerce & Industry, Ministry of Finance, PASFR, and Commercial Banks for their support, our Shareholders, and customers for their trust. I also thank the Directors, Management and the Employees of the Company for their committed work.

Mardas Abdullah Al Harthy
CHAIRMAN
